Bangalore
7th June 1.

My dear Sir

The Sri Swamijalu of the Vyasaraja Matt has written a Rayasa requesting sanction for an addl. Sum of Rs 2500/-. As one of the Sarvadhikaris entrusted with the Conduct of business of the Sabha I feel bound to explain the Cause of the Excess & I proceed now to indicate them below.

Owing to the delay in the issue of orders regarding the honors the Nijrial programme had to be altered and this Caused some confusion & expenditure in telegrams &c & the Swamijalu had to come to Bangalore on the 28th & the Sabha to Commence on the 30th Ultimo

The number of candidates also increased 100 over our Estimate and the Swamis travelling Expenses had also to be met from out of this fund.

A Classified accounts will be Submitted when the accounts are finally Scrutinised & you Sir will then perceive that there has not been any Extravagance anywhere

4 On pages 2 & 3 of the previous ~~collection~~ notes in the of this file, Subd. for kind perusal, it has been noted that the matt had Rs 12000 Rs in cash with 12000 Rs in promises. 7000 Rs Cash has already been given away. So a sum of Rs 5000/ seems to remain in cash.

5 It is also learnt from the Comptroller's office that a sum of Rs 23000 belonging to the matt & which has been considered in the Comptroller's office accounts to have lapsed is stated now the subject of discussion audit is likely that this amt will be credited to the matt funds in due course.

6 In Govt order No. 1109-11/Mm-398-12-6 dated the 15th march 1913, Govt Sanctd the full amt asked for by the matt viz 7000 Rs on the clear understanding that the matter will keep the Expenses of the Sabha within this amount and will not incur any further expenditure by contracting debts for the purpose. But the Swamigalu represents that in view of the Sabha having been held in a large town like Bangalore, & the large nos of people (Pandits & students) that

attended the Sabha & had to be fed and awarded prizes, the Expre that had to be incurred on account of the repairs of Sarasa & his paraphernalia &c, the ~~Expre~~ excess Expre could not be avoided in spite of the Efforts of the Messrs N Ramanuja & T. Lakshmi Narasimha Row who were in charge of the funds & the arrangements to cut down the Expre to as low a figure as possible.

7 In these circumstances, may the addl. sum of Rs 2500/- be sanctioned from the Math funds for the objects which the 7th councillor has been pleased to observe is a good one.

8 Draft order sanctg the same is subd for approval & orders.

The Sabha appears to have been a splendid success judged by the number of examinees that ~~attended~~ appeared and the standing of the Pundits that attended. It is a matter for congratulation that the Sisters of the Mathas also took part & contributed towards the success of the Sabha.

The feeding cost alone appears to have been very great and in a place like Bangalore it cannot be appreciably cut down without opprobrium. Under these circumstances Sanction may be accorded for the additional sum required.

10 If one wishes to spend there are hardly limits in such a large place. Mr. Martha should keep within reasonable bounds & I think that the amount sanctioned was quite sufficient. But as I suppose the expenditure has been virtually ~~required~~ incurred by this time, there seems to be no use in driving the Swami into debt. The excess may be sanctioned.

He now asks that this amt may be sanctioned to meet the Extra Expenditure incurred on these ceremonies.

15 The apologetic tone of the Srimukha indicates that this ~~extra~~ additional amount has had to be applied for much against his wishes & that the Extra Expenditure could not be avoided. Further, the amt is small being only Rs 300/- which the mutt funds can easily afford.
